

SEQUOIA

This unique stone provides a signature look with a wide array of colors including grays, buff, charcoal, tans and creams. This vibrant color blend really makes a statement.

Installation is recommended with a half inch mortar joint to limit the potential for delamination in freeze thaw climates.

Thin Veneer					Coverage based upon a 1/2" mortar joint. Weight approximately 13-15 lbs / square foot.	Contractor
Grade	Product Code	Thickness	Height	Length	Pallet Price ft
